MISSION AND PURPOSE

The purpose of the WHS Dance Company is to promote school spirit and involvement, teamwork, dedication, create a strong work ethic, respect and to positively represent the school and community in and out of all dance team appearances and competitions.A successful team is a result of two things: mutual respect among team members and coaches and a common vision about where the team is going.

The mission of the WHS Dance Company is to provide dancers with a successful and meaningful experience in a positive and healthy environment. Team members have personal goals of high academic achievement, increasing their dance ablity, learning effective time management, forming strong relationships, practicing positive sportsmanship, and learning to become a valuable team member.
